The Good Chinese dream

学雷锋 树新风 向雷锋同志学习 共筑中国梦

In the history of china about 5000 years, there is large number of changes things. Use the insight to look at the history as if to see the respawning world, diligence can be written again. Transmitter, in a word of Adui Classic has the same behavior with time, grade has the same behavior with time and pattern has the same behavior with time. The noble quality is showed freely.
